POLICE: February 13-March 13, nine calls. One careless driving.

SPEEDING: work in progress. A Macintosh suggested there should be double yellow line round dropped kerb, agreed by Stephanie B for her granddaughter. Parents parking all over place on main road, should be double yellow lines there. Linda F suggested walking bus that is done in Oakley to get kids walking instead of parents driving, but that takes proper manning.

Kate S: Council cutting grass for Wemyss Estate in villages, has cost #1.4million. Richmond Homes has gone bust, people complaining that cannot see past boarding to get out of junction. ACTIONL Susan D to write to planning.

## AOB:

Jemma, claim there is Japanese knotweed on coastal path in an email from person who's bought no 12. No, there isn't.

Buty Watson to resign – cannot get to meetings because her husband is ill.

Robert Dennis thanked her for all of her services over many years.

TORRYBURN JEAN: In Linda Facey's garage. Well cleaned by stonemasons but as paint has started to come through again looks messy. One of her sons has offered to put the three old poems in metal at bottom. Where should we put it? RD suggested clump of bushes near soldiers chairs. ACTION: write to stonemason. SD to get name from Linda F or JEB of man in Alloa.

PHONE BOX: Alistair Macintosh's family moved into village near phone box. His kids have cleaned the windows asked if there is a beach clean this year and will help. Decision to be made at next meeting on April 10.
