Present: Alistair McIntosh (Chair), Susan Donald, John Emery Barker, Mary Emery Barker, Bunty Watson, Ian Parker, Stephanie Blackden. Councillors Kate Stewart.

Apologies: Councillor Mino Manekshaw

Minutes proposed by Ian Parker seconded by Stephanie Blackden

MATTERS ARISING

PARKING: Al Mcl said there had been a local problem at his home where residents claim they have allocated parking – checking with Council found that not to be the case.

TELEPHONE BOX: Opened. Al Mcl has not had a chance to speak to them but a little concerned with the fitted door locks and cables damaging door and making water ingress a potential problem rotting door from inside.

LONGANNET LEGACY: At March meeting, Cllr Clelland said he would deal with this, get answers from Fife Council why more than £2.25 million for areas affected by closure spent in Dalgety Bay for this meeting, but he's not here.

Cllr Kate Stewart said she'd arranged a meeting with Andrew Sim from Council this week to get an update then he will meet our community council.

Community Council disappointed. SD said No action from Councillors getting an update in four whole weeks.

FINANCE: £1549.10

RADIATORS in Community Institute in Torryburn still missing tops – that's since last year. SD contacted Council, but told to email. SD to email Catherine Harrower

COUNCILLOR REPORT: Kate Stewart:

War Memorial Craigflower. Sue Dryburgh person to get in touch with, then apply to Fife Council.

Brian Montgomery died. Did help Community so she suggested Community Council should acknowledge him. Agreed.

Chairman AL Mcl has ongoing list of issues affecting community.

- **DOG MESS** on shore – Kate suggested we get in touch with dog warden. ACTION SD to do.
- **BRICKS ON BEACH:** SD and AL Mcl met Robbie Blyth from Council last Friday. Se saw bricks, porcelain lumps of concrete on beach, but doesn't want to fight to get al removed. Suggested community payback – he is chasing.

Ian Parker said Kate S has said it is a historic beach has heritage, with witches etc so Council cannot have it both ways. If it was cleaned up would attract more visitors. Kate S wondered if there was recycling project here to clear beach of stones.

Next meeting –Monday May 13, 2019.
